### EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 8/13/2004, Mark Charles requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 16-2480 the required fee of \$530 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: Figure 11, '430' will be deleted. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.
3. The following is an additional examiner's statement of reasons for allowance: the prior art discloses a cleaning implement having a handle, a mop head pivotably attached to the handle, at least one elevational element removably attached to the bottom surface of the head and an absorbent cleaning pad HOWEVER fails to disclose or fairly suggest the absorbent cleaning pad further including a functional cuff attached to the pad, the cuff having a cuff material and having an inner surface and an outer surface capable of contacting a surface to be cleaned wherein the ratio of the glide force resulting from the contact of the inner surface of the cuff material against itself relative to the glide force resulting from the contact of the outer surface of the cuff material against the material of the surface to be cleaned is smaller than 1 .

Art Unit: 1744

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
